

Conditions of Sale
Poultry Auctions

1. The highest bidder to be the buyer, if any dispute arises concerning any bidding, the lot to be put up again and resold at the auctioneers discretion.
2. The bidding to be regulated by the Auctioneers.
3. All lots are the responsibility of the Vendor up to the fall of the hammer and at the risk of the Purchaser thereafter.
4. In the case of the lots upon which there is a reserve, the Auctioneers shall have the right to bid on behalf of the Vendor.
5. The Purchasers to register their full name and address at the office prior to bidding and pay a deposit of 20%, if required, in default of which the lot or lots purchased to be immediately put up again or resold.
6. No lots to be transferable, and all accounts to be settled at the close of sale.
7. The lots to be taken away whether genuine and authentic or not, with all faults and errors of every description, and to be at the risk of the Purchaser immediately after the fall of the hammer. The Auctioneers will not hold themselves responsible for the correct description or authenticity of, or any fault or defect in any lot, and make no warranty.
8. Sales may be made privately, providing the Lot has first been offered by auction and the sale is booked through South and Stubbs and commission paid.
9. Clearance. All Lots must be cleared from the market premises within one hour of the completion of the sale. Failure to do so will result in the Lot becoming the property of the Auctioneers. Purchasers may NOT remove Lots without first presenting proof of ownership (i.e. a receipted bill) to an official steward. Vendors with unsold Lots must also produce a PASS from the office before removing the Lots.
10. Animal Welfare. All birds must be transported in suitable containers. Sacks are unacceptable for this purpose. Boxes must be large enough for the birds to be able to stand up and move around. The auctioneers do not provide any boxes. Supplies of water and bedding will be available but owners must provide their own containers.
11. Neither the Auctioneers nor any of their officers or servants shall be in anyway responsible or accountable for any loss or damage howsoever caused whilst on the market premises prior to, during or after the sale. Each vendor will be solely responsible for any consequential or other loss, injury or damage done to or occasioned by or arising from any bird entered by him and shall indemnify the Auctioneers against all legal or other proceedings in relation thereto.
12. The cost of any veterinary attendance or treatment before, during or after the sale shall be borne by the owner of the bird concerned.
13. Owners are responsible for the behaviour of their servants and for the consequences of any misbehaviour of such servants.
14. Method of Sale. A Lot will be the contents of the cage/box. The Lots will be sold per bird in £'s, except for hens & chicks which will be sold as a single lot. The buyer will be deemed to have purchased the entire Lot.
15. If any person neglects or refuses to comply with any of the foregoing conditions the Auctioneers shall be at liberty to re-sell the lot and any deficiency that may arise in the re-sale together with all expenses attending it, shall be made good by the defaulter.
16. Please note all auction monies are dealt with through South and Stubbs Current Account, not through their Client's Account
